FLEET MEMBERSHIP — BETTER THAN EVER!

There are many reasons why Fleet Membership is the most simple and efficient way to enjoy private jet travel. It's a flexible travel solution that doesn't require the huge expense and long-term hassles of whole or fractional jet ownership. Now there's more even more reason to become a Fleet Member—our **Best Price Guarantee**.

When Fleet Members book a trip, they are guaranteed the lower rate between their prepaid jet card hours or the charter rate at the time. So, Fleet Members will continue to enjoy their jet card's guarantee of fixed hourly rates and availability, which can be especially important for last minute travel needs or travel during peak periods, but pricing under both programs offers members the freedom to choose for themselves.

Fleet Membership brings you premium benefits no other private jet service can offer in the form of instant Delta Air Lines Medallion® status. You'll also earn a SkyMile for every dollar you spend on flight time with Delta AirElite (not including taxes). You'll enjoy preferred seating and boarding, Sky Club™ discounts, and special check-in privileges, and your Medallion® membership is transferable to business associates, family, or friends.

Hertz #1 Club Gold Five Star

Members also receive a complimentary Hertz #1 Club Gold Five Star membership which includes all Gold member benefits plus one-car-class upgrades, 10% bonus on Hertz #1 Awards Points and special savings with limited blackout dates that can be used anytime.

Hour Compliments Program

When you sign up and refer a friend, family member, or business associate, Delta AirElite will reward both of you with free flight time.

If you have any questions about Fleet Membership, call 877.323.5387.

OUR FLEET HAS EXPANDED

Delta AirElite brings you one of the most modern and diverse business jet fleets in the industry – and we intend to keep it that way. We're proud to announce the addition of the popular Bombardier Learjet 45XR and Cessna Citation XLS to our growing fleet.

The Bombardier Learjet 45XR offers one of the most comfortable cabins in its class, with spacious seating for up to eight passengers. With a range of 2,200 statute miles at speeds up to 534 mph, the Learjet 45XR is an ideal choice for a variety of trips. "It's a very popular aircraft and will meet a variety of travel needs for both our Fleet Membership and Charter customers," notes Curtis Kruger, COO at Delta AirElite.

Learjet 45XR

He goes on to describe the highlights of the Cessna Citation XLS: "Its stand-up cabin offers the same height and width you'll find in a typical super-midsize aircraft. The spacious cabin provides ample room for center-club seating and can accommodate up to eight passengers, making it the perfect solution for a wide variety of travel requirements."

You can count on Delta AirElite to give you the best possible options for your travel needs. For more information on Fleet Charter, please call 800-927-0927 option 1.

WHY CHOOSE DELTA AIR ELITE'S FLEET MEMBERSHIP PROGRAM FOR YOUR PRIVATE JET NEEDS?

Unlike a charter broker that doesn't own or manage any aircraft, Delta AirElite owns and operates a diverse fleet of modern aircraft and has been doing so for 25 years. Only aircraft operators are eligible for safety audits and awards. As an operator Delta AirElite has earned a Platinum rating with ARG/US, a third party safety audit firm, and we're the longest continuous holder of that highest rating in the world.

But what makes Fleet Membership different? As a wholly-owned subsidiary of Delta Air Lines, the world's largest airline, we are able to offer our members exclusive benefits including **instant** Medallion status in the SkyMiles program, one SkyMile for every dollar spent in

flight charges, personalized concierge service and Hertz #1 Club Gold Five Star. And with the launch of our new online quoting tool, we also introduced new enhancements to our exclusive Fleet Membership program. No other program gives as many ways to maximize your jet card value — the Efficiency Bonus program and Hour Compliments referral program, Delta AirElite has added the best cost option to make sure that you never pay more than your hourly rate and in many cases can actually pay less, effectively adding even more time to your card. With all of these terrific benefits and no expiration date and being fully refundable with no termination fee...Why wouldn't you choose Fleet Membership with Delta AirElite?

If we made this winter offer any more attractive, we'd be putting nine reindeer out of business...

Now through February 15, 2010, we'll take **\$2,000 off** our 10-hour jet card or **\$5,000 off** our 25-hour jet card.

Let Delta AirElite make this holiday season extra special! For details, call: 877-323-5387

This may not get you to the North Pole, but most beaches and ski slopes would be within range...

GIVE THE GIFT OF TIME

Looking for a great gift? How about a Perfect 10 jet card? With Fleet Membership, all you buy is time. What better gift than on a private jet!
